

A+ Partner Pricing

Crestron is proud to introduce our new A+ Partner Pricing Program. Simply log onto our website using your user name and password to access the new **A+ Price List**, and see a list of **participating dealers** who have agreed to honor your special discount. Refer to the **A+ Price List** for your “special partner” pricing.

When you log onto our website, you will notice a link for **A+ Price List** under “Products and Pricing” in the right hand column. There will also be a link under “A+ Partner Resources” for a list of dealers participating in this program.

As if great pricing on the best grade school to grad school campus technology isn’t enough, we also give you rewards points toward free product, direct technical support and extended warranties.

You will receive Reward Points up to 10% of all your Crestron purchases. Buy Crestron equipment through one of our participating dealers, then log onto the Crestron website. Once you’re logged on, click on the **purchase registration** link under “A+ Partner Resources” to record your purchases using a simple online form.

Reward Points (1 point = 1 dollar) may be used for Crestron products or training. **To redeem your reward points, simply email the order to aplusrewards@crestron.com.** Be sure to attach your purchase order and include “A+ Rewards Redemption” in the subject line of the email. The total A+ value of the products requested cannot exceed the current available points earned.

You may redeem your points quarterly throughout the year. Points are **effective July 1, 2011**. Points do not carry over to the following fiscal year (July). All credits must be **redeemed no later than September 1st, 2012**.

The A+ Partners Rewards Program provides additional benefits beyond purchase credit. We also give you our unparalleled support and extended warranty absolutely free.

- **Extending our standard 3 year warranty on parts and labor to 5 years**
- **Direct support for system design and specification process**
- **Direct RMA for all warranty repairs**

This new program makes it easier for you to install new technology and support your Crestron rooms across the campus. Contact your Education Manager or email education@crestron.com with any questions.

*Rewards Program is for all purchases beginning July 1, 2011.
