

Custom Program License for ZUM-HUB4

The SW-HUB4-PROG is a software license that activates the custom program slot on the ZUM-HUB4 control system.

The custom program slot allows a ZUM-HUB4 control system to run a custom program in parallel with the centralized management native to the ZUM HUB4. Create and update programs that provide custom functionality without affecting the centralized management of the ZUM-HUB4.

To obtain an SW-HUB4-PROG license, complete the [Request for SW-HUB4-PROG License](#) form.

For support, contact license@crestron.com.
