Certification and Compliance

Regulatory Model: M202302001

This product is listed to applicable UL® Standards and requirements tested by Intertek® services.

Ce produit est homologué selon les normes et les exigences UL applicables par Intertek Prestations de service.

This product conforms to the UL® 2043 standard approved by ANSI and tested by Intertek® services.

The product meets the requirements of the UL® 2043 standard for installation in an environmental air-handling (plenum) space, such as above a suspended ceiling.

The product is tested by an NRTL (Nationally Recognized Testing Laboratory) and complies with

UL 2043 (Fire Test for Products Installed in Air-Handling Spaces). Full compliance requires plenum rated cables.

The Waste Electrical & Electronic Equipment (WEEE) directive marking on a product indicates that it should not be disposed of with general waste. Instead, you are encouraged to reuse or recycle the product in accordance with Directive 2012/19/EU of the European Union. Proper disposal of this product will help prevent potential negative effects on the environment and human health, which could otherwise be caused by inappropriate waste handling. Penalties may be applicable for incorrect disposal of this waste, in accordance with your national legislation. For information about recycling this product, please contact your household waste disposal service, your original distributor, or Crestron.
