

HD-RX-201-C-E

DM Lite Multiformat Switch and Receiver

DO Install the Device

Mount the device onto a flat surface or rack rail.

Mount onto a Flat Surface

Using four mounting screws (not included), mount the device onto a flat surface such as a wall.

Mount onto a Rack Rail

Mount the device onto the front or rear rail of a rack. Position either the left or right mounting flange of the device so that the holes align with the holes in the rack. Then, secure the device to the rack using two mounting screws (not included).

DO Check the Box

QTY	ITEM	PART NUM.
1	Connector, 2-Pin	2003574
2	Connector, 5-Pin	2003577
1	Power Pack, 24 Vdc 1.25 A, 100-240 Vac	2045870

DO Connect the Device

Connect the device as required for the application.

NOTES:

- A power pack is included with the HD-RX-201-C-E. If a power pack is also included with the compatible transmitter, connect a power pack to either the receiver or transmitter. Do not connect a power pack to both devices simultaneously. Power is transmitted over the cable that connects the FROM TX port on the receiver to the TO RX port on the transmitter.
- Cabling that connects the FROM TX port to the TO RX port is designed for intrabuilding use only.

The SERVICE port on the front panel of the device is for factory use only.

DO Configure the Device

Using the web interface, configure the HD-RX-201-C-E. The HD-RX-201-C-E also hosts the configuration of the connected transmitter.

To access the web interface, open a web browser and then go to the IP address of the HD-RX-201-C-E. By default, DHCP is enabled. To display the IP address on the connected HDMI® display, press the **SETUP** button on the front panel of the HD-RX-201-C-E. If the transmitter has a **SETUP** button, pressing the button on the transmitter will also display the IP address of the HD-RX-201-C-E.

To log in to the web interface, enter the user name and password. The default user name and password are both *admin*.

DO Learn More

Visit the website for additional information and the latest firmware updates. To learn more about this product, use a QR reader application on your mobile device to scan the QR image.

Crestron Electronics

As of the date of manufacture, the product has been tested and found to comply with specifications for CE marking.

This product is Listed to applicable UL® Standards and requirements tested by Underwriters Laboratories Inc. Ce produit est homologué selon les normes et les exigences UL applicables par Underwriters Laboratories Inc.

Federal Communications Commission (FCC) Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Industry Canada (IC) Compliance Statement
