Rocker Engravable Button Cap for Cameo® In-Wall Dimmers & Switches, Latte Textured, Includes Custom Engraving

CLW-BTN button caps afford custom engraved labeling for a Crestron Cameo or Cameo Express In-Wall Dimmer, Switch, or Dimmer/Switch Combo. Button caps are available as a large, small, or two position rocker, each with engraving. Buttons caps come in a variety of colors and finishes, and are easily configured and ordered using Crestron Engraver software.
