

CLWI-BTN-SM-ANTH_ENGRAVED

Small Engravable Button Cap for CLWI Series In-Wall Dimmers & Switches, Anthracite, Includes Custom Engraving

The CLWI-BTN Series of custom-engraved button caps complete the Crestron CLWI Series of in-wall dimmers, switches, and dimmer/switch combos. Button caps are available in several configurations. Either side of the CLWI Series keypad can host a three-button strip of small pushbuttons or a medium rocker switch. A large rocker switch that spans both sides of the keypad is also available. Custom engraved labeling is easily configured and ordered through Crestron Engraver software. CLWI-BTN buttons caps are available in white and anthracite.
