

CSA-DSK-HDWR-QMT5

QMT®5 Series Hardware Sample Case

QMT®5 Series Architectural and DÃ©cor shade hardware systems from Crestron® deliver the epitome of elegant, reliable shading solutions. The Architectural hardware system allows Crestron shades to be mounted on a wall or ceiling or in a pocket or window jamb. The hardware offers solutions for both single roller and dual roller shade applications. For more information on the QMT5 Series Architectural Shade Hardware, please visit the **CSS-ARCH5** page. The QMT5 Series DÃ©cor hardware system leaves the entire shade exposed for a more contemporary look. It can be mounted on a wall, ceiling, or window jamb. For more information on the QMT5 DÃ©cor Shade Hardware, please see the **CSS-DECOR5** page.

The CSA-DSK-HDWR-QMT5 hardware sample case contains brackets, end caps, fascia, and other QMT5 Architectural and DÃ©cor shade hardware. End caps and plugs are shown in various colors and color chips are provided to fully articulate the options available with this versatile shading solution. For more information about Crestron shades, please visit the **Shading Solutions** page.
