

MP/MPC/IPAC_FRONT_LABEL_BLANK-W

Set of engravable backlit labels for MP-B Series, MPC Series, or IPAC; black characters on white background, engraving not

Affords custom labeling of the front panel pushbuttons for a MP-B Series Media Presentation Button Panel, MPC Media Presentation Controller, or IPAC Integrated Professional Automation Computer. Provides a professional factory appearance with backlit text, engraved to your specifications to clearly identify the function for each button. Easily configured and ordered using Crestron Engraver software.
